## Preschool brought forward to August 3rd, 2020.

Dear parents.

On April 22, 2020, the Children & Learning Committee decided to postpone the preschool start to August 2020.

The decision has been made since the safe crossing to SFO cannot be realized under the given conditions relating Covid-19.

This means that your child does not start in SFO on May 4, 2020 but stays in the current daycare and thus only starts in SFO on Monday, August 3, 2020.

Daycare and schools will arrange the best possible crossing for the children by, for example, the children will visit the schools if it agrees with the authority's guidelines after 10 May 2020.

At the end of April 2020, you will receive an SFO charge for May 2020. Please pay this charge as usual.

The place authorizing will subsequently, upon charging for June 2020, regulate the payment for SFO.

If you have any questions about the above, please contact the place authorizing.

Best regards

Trine Kristensen
